RESOLUTION – Award bid to Downey Drilling Inc. for rehabilitation of Well #6 and Well #4 at City of Alliance well field.

Well #6 and Well #4 at the City of Alliance well field have both been underperforming. These wells are designed to pump 475 gpm and 700 gpm respectively. They are currently producing 300 gpm and 450 gpm. Well #6 was constructed in 2006 and last rehabilitated in 2013. Well #4 was constructed in 1998 and was last rehabilitated in 2005. At this time both wells will pump air and smaller volumes

of water when run. Neither well is run in normal conditions due to the introduction of air. This causes a “milky” appearance to the water and generates customer complaints. This indicates the presence of holes in the well column. This scenario is caused by well column and well screen being close to each other, the dis-similar metals cause electrolysis therefore corrosion. The bids requested by staff would include work to pull the pumps at each location, remove all the column, clean and inspect the screen and casing and replace any needed material. The contractor will also install VFD or variable frequency drive motors to each. This would allow for the motor to increase or decrease rpm as needed to keep the pump below the water level in times of low water table levels.

The estimated cost of this project during the budgeting process was approximately \$80,000 and this was the amount budgeted. Two bids were received on this project but only one was deemed a responsible bidder. The only and low bidder was Downey Drilling Inc. in the amount of \$126,228.

Staff recommends awarding the bid to Downey Drilling Inc. and authorizing the use of GL 08-52-51-47-791 (system contingency) \$50,000 to be transferred to GL 08-52-52-59-970 to accommodate the completion of this project.

RECOMMENDATION: APPROVE TRANSFER IN THE AMMOUNT OF \$50,000.00 FROM GL # 08-52-51-47-791 (SYSTEM CONTINGENCY) TO GL # 08-52-52-59-970 AND APPROVE AWARD OF BID TO DOWNEY DRILLING INC. FOR WELL #6 AND WELL #4 REHABILITAITON.

RESOLUTION NO. 25-20

WHEREAS, The City of Alliance has authorized competitive quotes to obtain bids for Well #6 and Well #4 Rehabilitation; and

WHEREAS, Two (2) bids were received, but only one was deemed a responsible bidder; and

WHEREAS, The bid of Downey Drilling Inc., appears to be the lowest, responsive, and responsible bid in the amount of One Hundred Twenty-Six Thousand and Two Hundred Twenty-Eight Dollars and No/100ths (\$126,228.00); and

WHEREAS, The Water Department has on their capital improvement plans this project estimated and budgeted for \$80,000 in GL (08-52-52-59-970); and

WHEREAS, The bid came in over the budgeted amount which will require a budget transfer to accommodate the completion of the project.

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and City Council of Alliance, awards Well #6 and Well #4 Rehabilitation to Downey Drilling Inc., in the amount One Hundred Twenty-Six Thousand and Two Hundred Twenty-Eight Dollars and No/100ths (\$126,228.00).

BE IT FURTHER RESOLVED, approves transfer in the amount of \$50,000 from GL # 08-52-51-47-791 System Contingency to GL # 08-52-52-59-970 Capital Outlay – Other Improv.

BUILDING LEASE

THIS AGREEMENT is between the City of Alliance, a Nebraska Political Subdivision (hereinafter the "Owner") and Robin and Mary Rust, (hereinafter the "Tenant" whether one or more).

Recitals:

A. The Owner owns the following described premises (hereinafter the "Premises") located in Alliance, Box Butte County, Nebraska:

Building #3201. Located upon airport property consisting of entire building; 48' X 192'; 9,216 square feet leased portion.

B. The Owner leases the Premises to the Tenant according to the terms of this Lease.

The Lease:

1. Term.

The term of this Lease shall be from March 1, 2025, through February 28, 2026 (hereinafter the "Term"). At the end of the Term, the lease shall automatically continue on a month-to-month basis unless terminated as provided by the terms of this Lease. At the commencement of the Term, this Lease shall supersede and replace the lease for the Premises between the Owner and Rust Enterprises L.L.C., D.B.A. Rust Vegetation Management (the "Prior Lease").

2. Rent.

A. The Tenant agrees to pay the Owner rent (hereinafter the "Rent") in the amount of \$551.25 per month during the Term of this Lease. For each month that Rent is due and unpaid, late charges of 1% of the monthly rent shall be chargeable and assessed on the first day of each following month that the rent remains unpaid.

B. All Rent shall be sent to City of Alliance, Attn: Accounting, P.O. Box D, Alliance, Nebraska 69301. Please make checks payable to City of Alliance.

C. If the Tenant continues possession of the Premises on a month-to-month basis after the Term of this Lease expires, then the Owner may increase the Rent, from time to time, by giving the Tenant at least 30 days' notice of the increase.

3. Deposit.

A. Robin and Mary Rust are the owners of Rust Enterprises L.L.C. (the "Company") and consent, on behalf of the Company, to the Owner retaining the Company's deposit fee of \$500.00, made under the Prior Lease, as Tenant's deposit fee under this Lease. Robin and Mary

Rust, on behalf of the Company, waive any right the Company has to the deposit fee. The deposit fee will be retained by the Owner and used to repair any damages attributable to the Tenant and discovered after termination. In the case of the failure to pay Rent, the Owner may credit the deposit fee against any amount owed by the Tenant.

B. The Owner shall deliver to the Tenant within a reasonable time after termination the amount of the deposit fee that remains after repairing any damages attributable to the Tenant and after crediting the deposit fee against any amount of Rent owed by the Tenant.

Tenant shall keep the Premises free and clear of any lien or encumbrance of any kind whatsoever created by the Tenant's acts or omissions under this Part.

6. Damage to the Premises.

For all damages not attributable to the fault of the Tenant:

A. In the case of fire, water, or other casualty to the Premises, if the damage is so extensive that the Owner elects not to repair the Premises, this Lease shall terminate. B. In all other cases of fire, water, or other casualty to the Premises, the Owner shall repair the damage in a reasonable time and manner. C. The decision to repair and replace the Premises shall be solely at the Owner's discretion, and the Owner has no responsibility or obligation to repair the Premises under Part 6.B of this Lease so long as the Owner's rights and obligations under Part 6.A of this lease are exercised.

D. The Owner will not be responsible for damages to Tenant's personal property stored on the Premises, unless the damage is caused by the sole and active negligence of the Owner. The Owner encourages the Tenant to obtain personal property/renters insurance.

For all damages attributable to the fault of the Tenant:

A. The Tenant agrees to reimburse and indemnify the Owner for damages in the case of any casualty to the Premises caused by the fault or actions of the Tenant, and shall hold the Owner harmless from any loss, cost, or damage that may arise from any damages attributable to the fault or actions of the Tenant.

B. The Tenant agrees that he or she is not a co-insured under any property, liability, or casualty insurance of the Owner and is not covered by any property, liability, or casualty insurance of the Owner. The Tenant agrees that no part of the Rent under this Lease is attributable to the Owner's premiums for property, liability, or casualty insurance, and understands that he or she may be liable to the Owner's insurer for any claim of indemnity, subrogation, or reimbursement arising from any damages under this Part.

C. In light of the foregoing, the Tenant agrees to deliver to the Owner before the Term of this Lease begins a certificate of insurance for the following types and minimum amounts of coverage: one hundred thousand (\$100,000.00) in property damage coverage; . In no event shall the Owner's failure to enforce these requirements constitute a waiver of the Tenant's obligations under this Part. The Owner shall be made an additional insured under such policy or policies, and such insurer shall waive rights of subrogation against the Owner to the extent not waived by the Owner's additional insured status.

D. For the purposes of this Part, damages attributable to the fault of the Tenant shall mean damages caused by the Tenant's negligent, careless, reckless, or intentional acts or omissions, or by the negligent, careless, reckless, or intentional acts or omissions of the Tenant's agents, visitors, guests, or permittees.

E. In the event that the Premises abut another tenant's premises or sit within the same physical structure as another's tenant's premises, the Provisions of this Part shall apply as if the Tenant leased the entire physical structure.

7. Upkeep.

A. During the Term of this Lease, the Tenant agrees to maintain any heating, cooling, and electrical systems by replacing bulbs or filters, lubricating and cleaning any moving parts, and making all other minor repairs as are necessary to keep the fixtures, equipment, and Premises in good condition and repair.

B. The Tenant agrees to surrender possession of the Premises upon termination to the Owner in as good a condition as the Premises existed at the beginning of the Prior Lease, reasonable wear and depreciation expected.

C. The Owner agrees to maintain the roof and building structure, including the exterior walls and the heating, cooling, or electrical systems in a safe and serviceable condition. The Owner shall fulfill these obligations at the Owner's own expense, except for any damages attributable to the fault of the Tenant under Part 6 of this Lease.

8. Quiet Enjoyment.

So long as the Tenant pays Rent when it comes due and fulfills his or her remaining obligations under this Lease, the Tenant shall peaceably hold and enjoy the leased premises without interruption by the Owner or other person claiming under the owner. Provided, however, the Tenant agrees to permit the Owner to enter the Premises at all reasonable times to inspect the Premises and to make repairs as the Owner is obligated to make.

9. Use of Premises

A. The Tenant agrees to use the Premises only for storage and activities directly related to storage. In the event the Tenant desires to use the Premises other than for storage and storage-related activities, the Tenant shall submit a request to Owner in writing setting forth in detail the proposed activities. The Owner, within a reasonable time, may consent to and allow, in writing, the non-storage proposed activities. No capital improvements or fixtures may be made or added to the Premises without the Owner's prior, written consent.

B. The decision to consent to and allow any non-storage activities under this Part is solely within the discretion of the Owner and may be withheld for any reason. Without consent and allowance from the Owner, the Tenant may not use the Premises for any reason other than storage and activities directly related to storage. The Owner reserves the right to deny, in part, any portion of the request for non-storage activities and allow, in part, the remaining request for non-storage activities under this Part.

C. No materials or equipment may be stored outside of the building at any time. All storage activities must occur within the building and outside the view of the public.

D. The Tenant is aware of the condition of the Premises and is responsible for the safety of the Tenant's and the Tenant's guests while on the Premises.

10. Sublease and Assignment.

A. The Tenant shall not have the ability to sublet the Premises or any portion thereof or assign this lease to a third party.

B. This lease is binding upon the Tenant and his or her heirs, successors, and personal representatives regardless of any sublease or assignment in violation of this Lease, and is binding upon any sublessee or assignee, their heir, successors, assigns, and personal representatives.

11. Subordination

This lease is subordinate to provisions of the any existing or future agreement between the Owner and the United States of American, agencies thereof, or the State of Nebraska, and agencies thereof relative to operation, development, and maintenance of the airport.

12. Taxes.

A. For real estate or property taxes assessed on the Premises, the Owner will pay the amount of real estate or property taxes on or before their date due. If the Tenant occupies the Premises on the first day of March before the due date, the Tenant shall reimburse the Owner for his or her share of the amount of real estate or property taxes paid or to be paid regardless of whether the Tenant occupied the Premises during the period in which the taxes were assessed. For purposes of this Part, the Tenant's share of real estate and property taxes shall mean the Tenant's share after considering the number of other Tenants concurrently occupying the same building or property on which the tax assessment was applied. The Owner shall give the Tenant notice of the amount to be reimbursed by March 1 of each year following the year of assessment with all amounts due by April 1 following the year of assessment.

B. The Tenant agrees to pay all other taxes and assessments on any personal property, buildings, fixtures, or improvements owned by the Tenant and situated on the Premises.

13. Remedies upon Default.

In the event of a default by either party, the other party shall have all rights provided by law. Upon the event of the Tenant's default, the Owner may terminate this Lease by service of written notice of such termination upon Tenant and re-enter and regain possession of the Premises on the date specified in such notice of termination and in the manner provided by the laws of Nebraska then in effect. Provided, however, upon the event of the Tenant's default, the Owner may, without terminating this lease, choose to re-let the Premises or any part thereof for the account of the Tenant.

Each of the following is deemed an event of default under this Lease:

A. Failure of the Tenant to pay the Rent due under this Lease within thirty (30) days of due date thereof.

B. Breach by the Tenant of any covenants or other obligations of Tenant set forth in this Lease and the failure of the Tenant to remedy such breach within fifteen (15) days of notice provided by the Owner.

C. The making of any assignment by the Tenant for the benefit of creditors, or the filing by the Tenant or against the Tenant of a petition in bankruptcy, or the filing of any petition

against the Tenant for the foreclosure of any judgment lien against the Premises, or the levy of any writ of execution upon the Premises.

14. Termination.

A. At the end of the Term of this Lease, if the Owner desires to prevent a continued tenancy on a month-to-month basis, the Owner shall give thirty (30) days' notice in writing the Lease will terminate. In that event, the Tenant shall have no right to continue the tenancy on a month-to-month basis and the Owner may take any action available under Part 13 of this Lease to remove the Tenant and his or her possessions from the Premises.

B. At the end of the Term of this Lease, if the Tenant desires to prevent a continued tenancy, the Tenant shall give thirty (30) days' notice in writing the Lease will terminate and vacate the Premises as of the last date of this Lease. Tenant shall remove all of his or her possessions from the Premises on that date. Failure to vacate the Premises and remove possessions from the premises on the last date of this Lease shall result in a continued month-to-month, subject to any increase in Rent under Part 2 of this Lease.

C. This Lease shall terminate, and the obligations of both parties under this Lease shall end, upon the occurrence of a Force Majeure event that is beyond the control of either party and that prevents either party from complying or performing the obligations under this Lease. A "Force" Majeure" event includes unforeseen circumstances beyond the control of either party against which it would have been unreasonable for the affected party to take precautions and which the affected party could not have avoided using best efforts, such as an act of God or other natural disaster (such as wind storm, tornado, earthquake, fire not caused by the act or negligence of either party, flood, etc.), war, hostilities, or acts of terrorism.

15. Miscellaneous.

A. No waiver of any breach of any provision of this Lease will be deemed a waiver of any other breach of this Lease. No extension of time for performance of any act will be deemed an extension of the time for performance of any other act.

B. This Lease may be executed in one or more counterparts, each of which may be considered as an original.

C. This Lease shall be construed according to the laws of Nebraska.

D. This Lease contains the entire agreement of the parties, and may be amended only in writing signed by all parties.

The Panhandle Men's Club and the Ladies Golf Association would like to donate trees and shrubs to be planted at SkyView Golf Course. The addition of trees at Skyview Golf course has been suggested by the Golf Course Advisory Board and golfers have been financially supporting the city with those efforts. In the last several years The Panhandle Men's Club and several individuals have purchased in excess of twenty five trees that were planted at the Golf Course.

This year, the Panhandle Men's Club would like to purchase approximately 150 additional trees to be planted as a wind break at the edge of the course directly north of the lake, as seen in the photo. In addition, the Ladies Golf Association plans to purchase approximately 30 shrubs and three trees to be planted at various locations on the course. Interested parties have been working closely with SkyView maintenance staff and the Upper Niobrara-White Natural Resource District (UNWNRD) to coordinate this project. Total cost for this donated improvement is approximately \$2,400.00 and will include the purchase of trees, landscape fabric and installation of the shelter belt.

RESOLUTION - Award bid to Recovery System Company, Inc., for Baler replacement project.

As part of this year's CIP budget process the need for a replacement for the landfill baler was identified. The existing baler is approximately 15 years old and is frequently broken and in need of replacement. The conveyor to the baler has been replaced and modifications have been made to the tipping floor leading to it. Over the next couple of years the landfill will be moving to a "loose fill" operation and not all refuse will be baled. When this takes place baled MSW will be reserved for smaller

"household" loads and will help keep residential customers from driving into the loose fill area. Currently 40 or so bales are produced per day of operation. This method remains critical over the next 2-3 years for the completion of the existing MSW cell. Once a loose fill operation is established 4 bales per week or so will be produced while the bulk of MSW will be deposited directly into a loose fill area.

At the end of January bids were received from three bidders in reference to this project. SCS engineers evaluated all of the bids and the options presented. They have made a recommendation to award the bid to Recovery System Company, Inc. in the amount of \$699,185 option #1. This bid is the lowest responsible bidder fitting the requirements listed and is within budget authority for this project. Upon approval from City Council there will be an 18-20 week lead time for materials and an expected completion date 30 days after beginning the project.

RECOMMENDATION: APPROVE BID AWARD TO RECOVERY SYSTEM COMPANY, INC., FOR BALER REPLACEMENT PROJECT WITH BID OPTION #1 IN THE AMMOUNT OF \$699,185 AND APPROVE USE OF FUNDS FROM GL # 06-51-55-59-950.

RESOLUTION NO. 25-24

WHEREAS, The City of Alliance owns and operates the Alliance Landfill; and

WHEREAS, The Landfill's baler was identified in need of replacement due to the intense nature of use; and

WHEREAS, Funds were budgeted in the CIP budget process for the replacement of the landfill baler; and

WHEREAS, Staff recommends Recovery System Company, Option #1 in the amount of Six Hundred Ninety-Nine Thousand One Hundred Eighty-Five Hundred and No/100s Dollars (\$699,185.00) for baler replacement project bid; and

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the City of Alliance, Nebraska, hereby awards the baler replacement project bid to Recovery System Company, Option #1 in the total amount of \$699,185.00 from GL # 06-51-55-59-950.

Subject: Recommendation of Award
Waste Baler Replacement
City of Alliance

Dear Mr. Grant:

SCS Engineers (SCS) has reviewed the six bid proposals received for the above-referenced project. The two bid proposals submitted by Synergy Waste Management were determined to be incomplete due to lack of the required bid bond and the proposed equipment did not meet the minimum horsepower requirement.

Upon review of the remaining four bid proposals, and making additional considerations to evaluate comparable bids, SCS has determined Recovery System Company, Inc., to be the lowest responsive, responsible bidder. The bid tabulation is enclosed herein.

SCS recommends awarding the project to Recovery Systems Company, Inc. for the total bid amount of \$699,185 associated with Bid Option #1.

If you have any questions or comments regarding this recommendation, please contact Zach at (402) 938-0321.

RESOLUTION – 1ST INTERSTATE ADDITIONAL FUNDING

The City Council previously approved funding out of Council Contingency for boarding up of the 1st Interstate motel in the amount of Seventeen Thousand Eight Hundred Eighty-Four and 38/100ths Dollars (\$17,884.38) via Resolution 24-128.

At the time of the original bid, the “storefront” of the motel office was excluded from the scope of work (although the rear half of the building was included) in an attempt to avoid having the glass boarded up on a major thoroughfare into the city for the optics, and because up until that point, no vandalism had occurred in that area of the complex. We did not anticipate that such a visible and well-traveled area would experience the same level of vandalism and trespassing, however soon after completion of the original scope of work, a rock or similar heavy object was thrown through a storefront window.

To reduce the likelihood of further vandalism, staff directed the contractor, Riverfront Concrete and Excavation, LLC of Alliance, Nebraska to submit a quote for the remaining work. That quote was accepted by staff to take advantage of advantageous weather to complete the work. The cost of the additional work is Two Thousand Three Hundred and no/100ths Dollars (\$2,300.00) and we request that this work be accepted by the Council *ex post facto* and that funds for the additional work be appropriated from City Council contingency, for a total project cost of \$20,184.38, and authorizing the payment for work completed.

All costs will be placed as a lien against the property after the legal process to do so has been followed.

RECOMMENDATION: APPROVE ADDITIONAL FUNDING FOR SECURING AND BOARDING THE 1ST INTERSTATE INN IN THE AMOUNT OF TWO THOUSAND THREE HUNDRED AND NO/100THS DOLLARS.

RESOLUTION NO. 25-25

WHEREAS, The Alliance City Council accepted a bid from Riverfront Concrete and Excavation, LLC of Alliance, Nebraska in the amount of Seventeen Thousand Eight Hundred Eighty-Four and 38/100ths Dollars (\$17,884.38) as the lowest, responsive, and responsible bidder for the Securing 1st Interstate Inn in Resolution 24-128; and

WHEREAS, The original bid did not include the “storefront” facing 3rd Street; and

WHEREAS, Vandalism occurred within days of the rest of the buildings being secured;
and

WHEREAS, Further work was needed to secure the storefront.

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and City Council of Alliance, Nebraska, that an additional Two Thousand Three Hundred and no/100ths Dollars (\$2,300.00) is appropriated from City Council Contingency to cover the costs of this additional work, for a total project cost of \$20,184.38.

BE IT FURTHER RESOLVED, That the City Manager is authorized to approve the work and provide for payment of the same.

Member Services Provided by LARM

LARM sets itself apart from the rest of the industry with the following excellent member services provided to LARM members at no extra cost. While most companies are reactive, responding to claims once they have happened, LARM proactively works with members to assist them with questions and issues as they arise. LARM staff works hard to care for members to mitigate risk, prevent injuries, and give assistance when there is a claim.

Lean on LARM Safety Grant

LARM offers a \$500 Lean on LARM Safety Grant each year for LARM members. This grant can be used for anything safety-related, including safety vests, traffic cones, and security cameras.

LARM Armor Program

LARM provides \$700 to be used toward the purchase of a bulletproof vest for member police departments that have a mandatory wear policy for patrol officers in their policy manual.

Property Evaluation

When you join LARM, a property evaluation specialist will review all city property on-site. As part of this review, a staff member will 1) make sure all city property is listed and covered, 2) ensure all property is valued correctly, and 3) look for cost-saving options like increasing deductibles, removing unused property, or considering alternate valuation options. A new property evaluation is completed for each member every five years.

Coverage Analysis and Legal Review of Issues

LARM's staff regularly works with members to assist in analyzing exposures. They will work with you to evaluate liability and coverage issues and advise you on best practices to minimize exposure. For example, a few years ago, a member had questions regarding nuisance property abatement and a volunteer group of concerned citizens. We met with their office staff and board to discuss the situation. LARM then provided an eight-page legal memo outlining the coverage and legal issues. The memo was provided to the member's city attorney, saving the member legal fees, and LARM staff met with the board to review and discuss the analysis.

Annual Policy Review

LARM does a complete review of the coverage document with each member annually at renewal time. The review includes a study of all property, equipment, vehicle schedules, coverages, and a discussion about any new exposures, operations, or procedures.

Law Enforcement Training

LARM provides state-approved law enforcement training at no cost for each LARM member police officer to meet the annual training requirements through online training operated by Lexipol. The training is available 24/7 and can be completed in one-hour increments.

LARM maintains a database of current, Nebraska-specific law enforcement policies and procedures. A LARM loss control specialist is available to assist LARM members with any training or policy questions and needs.

Contract Review

LARM reviews contracts and agreements for members in order to mitigate liability and loss exposure.

Liability and Work Comp Site Reviews

LARM's Loss Control team will review current policies and procedures. They will also provide templates and assistance in drafting new policies and procedures. The review will include a prioritized list of recommendations to ensure compliance with state law and best practices on safety and liability issues.

Work Comp Accident Analysis

When a work comp claim occurs, the LARM Loss Control Team will review the claim and provide analysis to help prevent similar future injuries.

On-line Library of Training Videos

LARM members have access to LARM's extensive library of over 2,000 safety training videos. The library covers a very wide range of topics, including fire, EMT and law enforcement training.

The League Association of Risk Management (LARM) offers up to \$700 towards the purchase of one approved bullet proof vest for LARM member police departments. A requirement of being awarded the funds is that the LARM member police department show they have in place a mandatory wear policy for their patrol officers. LARM has a model policy available for members at larmpool.org/larmarmor.htm.

larmpool.org/larmarmor.html

The online application must be submitted and approved before the bullet proof vest can be purchased. The mandatory wear policy must be emailed to fred.wiebelhaus@larmpool.org prior to approval. Once approved, the member can purchase the vest and submit a receipt to LARM for reimbursement of up to \$700 towards the purchase.

The deadline for submitting the 2024-2025 LARM Armor application is September 15, 2025.

If you have any questions about the program please contact Fred Wiebelhaus at fred.wiebelhaus@larmpool.org or 402-440-9129 or Diane Becker at diane.becker@larmpool.org or 402-314-6827.

LARM ARMOR

About LARM

The late 1980s were a critical time for public entities throughout the country. Although the insurance market had been cyclical for many years previously, alternating between periods of low pricing and abundant coverage options (a soft market), to high pricing and limited accessibility (a hard market); the "insurance crisis" of the 1980s was the most severe hard market ever. During that period, insured's premiums increased severely and rapidly, with harsh coverage limitations instituted; for many insured, adequate coverage was scarce and, in many cases, simply unavailable.

This situation was critical in Nebraska. In fact, a study initiated by the League of Nebraska Municipalities (LONM) determined that [1] insurance carriers and products were inadequate or unavailable for Nebraska municipalities, and [2] Nebraska municipalities were unable to control insurance costs, coverage and/or services. As a response and in an effort to provide a valid solution to the crisis, LONM resolved to create the League Association of Risk Management (LARM).

LARM began operations in late 1989 by offering an endorsed insurance program for municipalities that included risk management services. In 1995, with 13 participating municipalities, LARM received its pooling certificate from the Nebraska Department of Insurance and began operating the Property and Liability Group Self-insurance Pool. The Workers' Compensation division was introduced in 1997.

It has been well over twenty years since that "insurance crisis" and the lack of availability and reasonable pricing might appear to be a thing of the past; however, unforeseen events are always present, and the insurance landscape can turn suddenly and without warning.

LARM OFFERS MORE THAN INSURANCE

LARM is not impacted by market cycles in the same way traditional insurance companies are. LARM was created in response to the hard market, succeeds in offering membership a more predictable and stable rating platform during past and through future market fluctuations, and is faithfully committed to sustaining LARM's pledge to provide its membership with broad coverage at a fair price and outstanding member services. LARM has delivered on that dedication for the past 30 plus years.

VISION

The League Association of Risk Management will provide our members, who own the program, reliable and continuous service that effectively manages their financial risks and promotes rate and coverage stability.

MISSION

To proactively identify, prevent or economically resolve liability exposures in a professional manner while supporting an environment of education, integrity and consistency that results in the mitigation of risk.

The LARM Commitment

LARM is dedicated to its long-standing commitment to provide broad coverage and exceptional member services at a fair and stable price. LARM would like to expand on these program fundamentals.

COVERAGE

Unlike traditional insurance providers, LARM's members own the pool. As owners, LARM members help shape the coverage provided through the Board of Directors that consists of elected or appointed officials selected by the LARM membership. Who can understand better the coverage needs of Nebraska municipalities than Nebraska municipalities themselves? The LARM Board regularly evaluates member coverage and works with industry experts to implement new coverage and enhance existing protection to assure effective and relevant coverage for the sole benefit of the membership.

RESOLUTION NO. 25-27

WHEREAS, League Association of Risk Management (LARM) desires to enter into an Interlocal Agreement with the City of Alliance for the purposes of providing risk management services and insurance coverages; and

WHEREAS, The City understands that the Interlocal Agreement is in accordance with the Intergovernmental Risk Management Act, with Nebraska public agencies; and

WHEREAS, The League Association of Risk Management (LARM) will provide liability and casualty insurance to the City of Alliance; and

WHEREAS, This Agreement must be in place for the League Association of Risk Management to provide services to any public agency; and

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and City Council of Alliance, Nebraska, that the Mayor is authorized to sign the Interlocal Agreement between the City of Alliance, Nebraska and the League Association of Risk Management (LARM) for purposes of providing risk management services and insurance coverages to the City of Alliance.

RESOLUTION – INTERIM REFUSE RATES

Following the City Council discussion of February 4, 2025 and the direction to the City Manager to return at the next council meeting with interim refuse rates, the attached resolution is hereby presented for your consideration.

Said resolution includes new rates, offering a 90-gallon rollout to commercial customers and also rates for non-profits as a separate category. The chart of fees also clarifies that the city does not own any 1.5 yard containers, but rather 2- and 3- yard containers. If approved, staff will reapproach Council with options on purchasing additional 90-gallon, 2-yard, and 3-yard containers to service those customers already identified to date as not receiving trash services.

These rates are intended to be used on an interim basis as the City is currently undertaking a rate study for solid waste services, as well as performing internal audits of accounts and revisions to the existing solid waste ordinance as it pertains to all customers. After completion of the rate study, new rates and a revised ordinance are anticipated to be presented to Council as part of the FY2026 budget process and will account for true costs of service for both collection and landfill efforts, rather than the automatic 1% increase that was implemented in October 2012 and continued up until the last two budget years. Interim changes to the refuse ordinance may also be required to ensure compliance.

As new rates are proposed, Council will need to consider present and future needs, including rebuilding fund reserves and capital investments, franchise agreements, as well as the fiscal burden placed on various groups of customers. While it is the prerogative of the City Council to allow a separate rate for non-profits, staff requests that the Council also consider the depleted state of the Refuse Fund, as well as potential complaints about differential treatment of services for non-profits compared to commercial accounts.

RECOMMENDATION: APPROVE RESOLUTION IMPLEMENTING INTERIM REFUSE RATES EFFECTIVE APRIL 1, 2025

ORDINANCE – DONATIONS POLICY

The attached ordinance is presented to the Council to update the City's policy on accepting and disposing of donations. The intent of this ordinance is to remove bureaucratic barriers to philanthropists who desire to contribute to our efforts "To Build the Best Hometown in America".

This ordinance clarifies which categories, such as real property and donations with value over ten thousand dollars (\$10,000.00), which must be accepted by Council and which donations can be accepted administratively (i.e. those with a value under \$10,000.00). The ordinance also affirms the desire to require a dedicated funding source for the ongoing maintenance of substantial donations, such as the Knight Museum as a condition for accepting the donation.

Finally, while certain boards have a donation policy and there is a previously created donation policy, this ordinance updates and codifies the policy so that it can be applied equally across all city departments.

RECOMMENDATION: APPROVE THE FIRST READING OF THE ATTACHED ORDINANCE UPDATING THE CITY'S POLICY ON ACCEPTANCE AND DISPOSITION OF DONATIONS

Ordinance No. 2997

AN ORDINANCE OF THE CITY OF ALLIANCE, NEBRASKA REGARDING THE ACCEPTANCE OF DONATIONS, DEFINING TYPES OF DONATIONS, SETTING RULES PERTAINING TO DONATIONS, AND AUTHORIZING THE CITY MANAGER TO PROMULGATE FURTHER RULES, POLICIES AND PROCEDURES FOR THE EXECUTION OF THIS ORDINANCE; REPEALING EXISTING PROVISIONS OF THE CITY CODE NOT CONSISTENT WITH THIS ORDINANCE; AND PROVIDING FOR AN EFFECTIVE DATE.

Sec. 2-224. Rules pertaining to Donations

The City must always consider the public trust and comply with all applicable laws when accepting donations.
- (b) *Declined donations.* The City of Alliance reserves the right to decline any donation if, upon review, acceptance of the donation offer is determined in the sole discretion of the City to not be in the best interest of the City.
- (c) *Disposition of donations.* The City of Alliance reserves the right to remove any donated amenity for: safety reasons, deterioration caused by age, neglect or vandalism, and/or the city's inability to finance ongoing maintenance and/or repairs.
- (d) *Donation specifications.* The City of Alliance reserves the right to formulate and dictate the specifications for donations of personal property.
- (e) *Donation preference.* When donations are intended for the purchase of physical goods used in the course of conducting normal city business, it is preferred that the donation be made as a monetary donation to allow the city to take advantage of bulk purchasing and to ensure the consistency of goods.
- (f) *Acceptance of donations.*
 - i. Any person, group, or entity desiring to raise funds for donations to the City must receive the consent of the City Council prior to beginning fundraising efforts.
 - ii. Restricted donations, other than donations made for the purpose of assisting citizens in paying their utility bills, must first be approved by the City Council via resolution.
 - iii. All donations of real property, whether restricted or unrestricted, must first be approved by the city council via resolution.
 - iv. All donations of personal property, whether restricted or unrestricted, must first be approved by the City Council via resolution. The City Council will determine whether or not the donation is in good taste, appropriate to the purpose of the City, and in accord with the standards of the community prior to accepting the gift.

- v. In the event the gift, bequest or memorial intended for the City is of a nature that it is to be seen and enjoyed by the public such as a sculpture, statue, plaque, or other interpretive material, the City Council shall determine the appropriate location for said gift.
- vi. The City shall not accept donations which are not permanent gifts to the city.
- vii. The City shall not accept donations which require that the City agree to maintain the gift in perpetuity, unless such donation is accompanied by an endowment sufficient to cover its ongoing upkeep. All perpetual gifts and their associated endowments must receive prior approval from the City Council through a formal resolution. If, at any point, the endowment no longer provides adequate funding for maintenance, the City may discontinue upkeep once the funds are depleted and dispose of the donation in accordance with City policies.
- viii. Unrestricted donations valued at less than or equal to Ten Thousand dollars (\$10,000) may be accepted by the City Manager or their designee without council action and shall be reported quarterly to the City Council. Unrestricted donations with a value above Ten Thousand dollars (\$10,000) must first be approved by the City Council via resolution.
- ix. *Memorial Plaques.* Costs for all memorial or tribute plaques shall be borne by the donor. The City must approve all text for memorial or tribute plaques prior to installation.

Sec. 2-225. City Manager.

The City Manager is authorized to promulgate further rules, policies, and procedures needed for the execution of this ordinance.

SECTION 2. All ordinances, parts of ordinances, resolutions, and policies of the City of Alliance in conflict with this ordinance are hereby repealed.
