Southeast Quarter of Northeast Quarter of Section 34 and Part of the Southwest Quarter of the Northwest Quarter of Section 35, Township 25 North, Range 48 West of the 6th Principal Meridian, Alliance, Box Butte County, Nebraska. The following information was provided:

[RESOLUTION – PRELIMINARY PLAT OF KARELL ADDITION TO THE CITY OF ALLIANCE, BOX BUTTE COUNTY, NEBRASKA.

The City of Alliance is in receipt of an application for a Preliminary Plat for the dedication of Karell Addition to the City of Alliance, Box Butte County, Nebraska.

The proposed addition is located at the southwest corner of West 6th Street and Ramblin Rd. The addition is bordered by Ag, Agriculture zoning to the west, R-4, Atypical Residential Housing and C-3 Heavy Commercial to the north, R-1a, Single Family Residential and C-3 Heavy Commercial to the east, and C-3 Heavy Commercial to the south. The zoning is not proposed to change as part of this subdivision.

The proposed lot is currently vacant. The proposed land use of Lot 3 is camper storage, Lot 2 is cold storage, and Lot 1 is storage. Lot 4s proposed land use is currently unknown. Camper storage will require a Conditional Use Permit. The proposed subdivision is bordered by single family homes to the north, agriculture to the west, a tree trimming and landscaping business to the south, storage units and vacant land to the east.

The plat creates a 20 foot wide utility easement along the east side of proposed Lots 1, 2, and 3 for water main extension. It is a general utility easement so other utilities may co-locate there. The plat will create a 20 foot wide alley between proposed Lots 1-3 and the land to the west (Lot 4). This is primarily to replace an easement for a sanitary sewer trunk main installed in 1968 and provide a secondary means of access to the lots. The alley dead ends at the south end of the proposed subdivision. The Planning Commission recommended adding a 40' x 40' cul-de-sac at the south end of the alley for a turn around and the developer was agreeable to that.

The subdivision is bordered by Nebraska State Highway 2 / US Highway 385 to the west, West 6th Street to the north, and Ramblin Road to the east. There are not any proposed streets but there is proposed an approximately 650 foot alley north and south through the subdivision. Highway 2 is a principal arterial and Ramblin Road has begun to function as a minor arterial since the construction of the W 10th Street overpass (Transportation Pg. 2). West 6th Street is not paved but it would provide access between Ramblin Rd. and Highway 2 and the north sides of Lots 4 and 3 if it were. Ramblin Rd. and Highway 2 would be able to accommodate additional traffic from development of the proposed commercial lots.

The City of Alliance Planning Commission met at its regular meeting December 10, 2024 and found that the preliminary plat was consistent with the goals in the Comprehensive Plan and met the minimum requirements of the Alliance Municipal Code. They voted yes on a recommendation to the Alliance City Council for the approval of Karell Addition to the City of Alliance, Box Butte County, Nebraska provided a 40' X 40' cul-de-sac be added at the south end of the alley, after making the following findings of fact:

-The subdivision would permit additional commercial development along Ramblin Road and Nebraska Highway 2.

January 7, 2025

- The commercial subdivision is consistent with the neighborhood identification in page LU 9 as commercial.
- The Preliminary Plat contains all components required by Section 107-23 of the Alliance Municipal Code.
- Transportation routes along the west and east lot lines would provide sufficient access to the proposed lots.
- The subdivision meets the minimum requirements of Section 109-51 C-3, Heavy Commercial District (zoning) of the Alliance Municipal Code.

Possible reasons not to approve the plat would be:

- The alley proposed to be dedicated is a dead end.
- West 6th Street is not paved.

RECOMMENDATION: THE APPROVAL OF THE PRELIMINARY PLAT OF KARELL ADDITION TO THE CITY OF ALLIANCE, BOX BUTTE COUNTY, NEBRASKA, PROVIDED THE 40' X 40' CUL-DE-SAC AT THE SOUTH END OF THE ALLEY BE INCLUDED ON THE FINAL PLAT.]

- The next item on the agenda for Council was Resolution No. 25-07 which will accept and authorize the formation of the Volunteer Youth Alliance (VYA) Board and allocate \$5,000 from ACE Reserves. The following information was provided:

[RESOLUTION - VOLUNTEER YOUTH ALLIANCE FORMATION AND FUNDING

Volunteerism is a valuable community resource that is floundering in Alliance, as it is around the country. The proposed Volunteer Youth Alliance (VYA) would

January 7, 2025

promote this valued commodity among youth in Box Butte County while reinforcing the existing Retired and Senior Volunteer Program (RSVP).

The mission of Volunteer Youth Alliance is summarized by the five fundamental goals:

1. Engage youth in compatible volunteer service that is both rewarding and educational.
2. Encourage cross-generational and cross-cultural working relationships.
3. Improve overall scholastic performance and scholarship opportunities for youth.
4. Promote a lifetime ethic of leadership and volunteerism in future adults.
5. Enhance the community and the lives of its residents.

The by-laws (attached) have been reviewed by the City's legal counsel and would form VYA as an unincorporated association under the umbrella of the City of Alliance with leadership and direction from a diverse eleven-person board (primarily RSVP members) and including two student members. (Presently, there are eight adults and two students committed.) This group will be a valuable promoter of the youth program and will establish policy changes and oversee discipline issues.

Many of the volunteer opportunities will be working along RSVP volunteers in stations and tasks that are already established; however, there is the option to expand into new areas as the program attempts to place students in their areas of interest. There is also the possibility of having community-wide events (such as clean-ups, etc.) that will team the students with adult sponsors. Memorandums of understanding (MOUs) modeled after the RSVP form would be obtained for all stations where students are placed. The board will work cooperatively with station partners to recruit and place youth. This effort is aimed not only at the aspiring students, but also hopes to challenge marginalized youth.

The handbook (attached) is designed after another youth volunteer program and will serve as guidelines for the board and the youth involved in VYA. Youth who apply to be a part of the program will review the handbook as part of their initial orientation.

Funding for the program will be modest with future management of fund-raising by the board through the existing Friends of Box Butte County RSVP. It is proposed that the initial funding of up to \$5,000 be allocated from the ACE funds by action of the Council. This amount would cover the insurance provided through the same vendor as RSVP; management software for scheduling and tracking hours; shirts for volunteers and the first year recognition event.

ACTION: APPROVE THE FORMATION OF VOLUNTEER YOUTH ALLIANCE BY THE CITY OF ALLIANCE WITH INITIAL FUNDING FROM ACE RESERVES.]
